More About Burnaby

Burnaby is a unique city having one of the highest open-space-to resident ratios in North America with 25% of the land designated to parks and open spaces.

It is also very culturally rich and diverse with roughly 54% of the resident's primary language neither English nor French. Old Orchard Centre reflects this with its great range of restaurants and take-out food options from Lebanese, Chinese, Vietnamese and Korean favorites.

This centre also has a medical clinic, insurance services, accounting services, a music school and the pharmacy at Shoppers Drug Mart. Burnaby is also known for great entertainment with the outdoor concerts at Deer Lake Park, movies at Metropolis and now here at Old Orchard is Bamboozled Escape Games.
